

Home Learning - Curriculum Enrichment - Year 2

Please note that these tasks are optional tasks that you may wish to complete with your child at home that will enrich their curriculum experience.

Every term, there will be a Home Learning Exhibition, during which pupils can showcase their learning to the class and photos will be taken to put on the school website.

Term	Subject & Topic	Task suggestions:
Autumn	History – Great fire of London	<ul style="list-style-type: none"> Bake some bread and write instructions on how to do so. Complete an artwork of the fire starting on Drury Lane of the great fires of London. Make a model of the monument to the Great Fire of London. Create a model of a home from the period of the Great Fire of London. You could even video setting fire to it if you are well supervised by your adult!
	RE – Light of Christmas	<ul style="list-style-type: none"> Make a Christingle. Design a Christmas story. Draw and design your own advent calendar.
	Science – Living things and their habitats	<ul style="list-style-type: none"> Visit different animals' habitats and take photos. Create a poster of living things and their habitats. Write a fact file on a chosen animal. Visit the zoo and take some pictures of you there.
Spring	Art– collage & colour	<ul style="list-style-type: none"> Create a portrait using primary colors. Create a portrait using secondary colors. Create a collage with simple shapes (circles, triangle, squares and rectangles).
	Science - Use of different materials	<ul style="list-style-type: none"> Use different materials to create a robot. Use junk modelling to create a portrait of yourself. Find out how many materials can be changed from squashing, bending, twisting and stretching and record this in a table.
	Geography – Comparing London and Nairobi	<ul style="list-style-type: none"> Create a fact file about Nairobi (Kenya). Create a poster about Nairobi. Use junk modelling to create a Kenya flag.
Summer	Geography – Yanomami people of the rainforest	<ul style="list-style-type: none"> Create a model of the Amazon rainforest displaying its different layers. Create a landscape collage of a Rainforest. Create a fact file about the Yanomami people.
	RE- Islam	<ul style="list-style-type: none"> Draw and name the five pillars of Islam. Design your own prayer mat using Islamic geometric shapes. Create a poster about Ramadan.
	Science – Plants	<ul style="list-style-type: none"> Grow a plant from a seed, monitor the plant and bring it in. Create a collage of a plant using diverse types of leaves and seeds. Draw a diagram of what a plant needs to survive.
