Our School Vision

Vision statement: Be brave. Be great. Be you.

Culture Statement: We are fun. We are together.

St George's CE recognise that positive behaviour and good attendance are essential in order to raise standards of pupil attainment and to give every child/young person the best educational experience possible.

At St George's School, we aim for children to achieve at least 96% attendance for a full school year. If children are absent from school, they will miss key learning opportunities resulting in gaps in their knowledge and understanding and this can significantly impact upon their learning and development. Absence from school should only occur when a child is unfit to learn, where there is an exceptional circumstance or when the child has a day of religious observance.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- It also refers to:
- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

Parents are expected to:

- ensuring that their children are punctual and ready to learn at school each day.
- informing the school of the reasons on the first day of any absence and any subsequent days.
- booking medical and dental appointments out of school hours (where possible)
- providing medical evidence when required to support reasons for absence.
- informing the school of any changes to their contact details.
- collecting their children on time
- arranging family holidays during the school holidays and not during term time.
- Call the school to report their child's absence before 9:00am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Be in school uniform and ready to engage in learning activities

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances
- Any amendment to the attendance register will include:
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:50am and ends at 3:20pm.

Pupils must arrive in school by 8:45am to join their class lines or enter their classrooms on each school day.

The register for the first session will be taken at 8:55am and will be kept open until 9:10am.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am, or as soon as practically possible, by calling the school Office staff, who can be contacted via 0208699 5127.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness. Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may perform a home visit; contact MASH or call the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with a Penalty Notice or referral to the Local Authority for consideration of legal action to secure the regular attendance.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels through termly reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for. Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, a leave of absence will not be granted for the purposes of a family holiday. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least before the absence, and in accordance with any leave of absence request form, accessible via the school website or school office. The headteacher will require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)
- Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):
 - Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
 - Attending another school at which the pupil is also registered (dual registration)
 - Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or a member of staff authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Circumstances when a Penalty Notice may be issued

The Local Authority may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and require the recipient to pay a fixed amount. These circumstances are stated below:

1. Pupils identified who have incurred unauthorised absences.
2. The Education (Pupil Registration) (England)(Amendment) Regulations 2013, state that Head teachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Head teacher is required to determine the number of school days a child can be away from school if leave is granted. Where a child is taken out of school for 10 sessions or more and the 'leave of absence' is without the authority of the head teacher, each parent is liable to receive a penalty notice for each child who is absent. In these circumstances, a warning will not be given where it can be shown that parents had previously been warned that such absences would not be authorised and that they will be liable to receive a Penalty Notice if the leave of absence is taken.
3. The issue of a Penalty Notice will also be considered where a pupil has incurred 10 or more unauthorised sessions during the preceding 10 school weeks. The parents' failure to engage with supportive measures proposed by the school will be a factor when considering the issue of a Penalty Notice. Unauthorised absence will include late arrival after the close of registration without good reason.

4. Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice. If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

With the exception of unauthorised leave of absence taken in term time (Paragraph 2 above) parents will be sent a 'Notice to Improve' their child's attendance, warning them of their liability to receive such a notice before it is issued.

Amount Payable Under a Penalty Notice: The Education (Penalty Notices) (England) (Amendment) Regulations 2024

1. If a parent/carer has not incurred a penalty notice relating to the relevant child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in the Local Authority considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to the child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in the Local Authority considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to the child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – The Local Authority will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support. Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

At St George's, we celebrate good attendance by:

- Encouraging children to think about healthy routines that promote good attendance and punctuality.

- Weekly newsletter presenting the best class attendance, the school’s average attendance for that week and the year, alongside our target attendance for the academic year.
- Praising and encouraging good attendance at school.
- Awarding a joint Certificate of Achievement to parent/carer and child for 100% attendance each half term.
- Sending letters to families who have improved attendance.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

At St. George’s, we understand that some pupils face complex barriers to regular attendance, and we are committed to working closely with them and their families to provide the support they need. Our approach involves identifying the root causes of absences, whether they are related to health, family circumstances, or other personal challenges. We collaborate with external agencies, such as social services or healthcare providers, to ensure that the appropriate resources are available. Additionally, we maintain regular communication with families to develop support plans, offering flexibility and guidance to help pupils overcome their barriers and re-engage with school life. Our goal is to ensure that every child has the opportunity to attend and succeed, no matter the obstacles they face.

7.2 Pupils absent due to mental or physical ill health or SEND

At St. George’s we provide early support and intervention for any students facing barriers to attending, ensuring that every child has the opportunity to thrive academically and socially. Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil’s needs, the school will inform the local authority

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

At St. George’s, we take a compassionate and structured approach to supporting pupils returning after a lengthy or unavoidable absence. First, we work closely with families to understand the reasons behind the absence and any ongoing needs or challenges. We then create a personalised reintegration plan, which may include a phased return, modified timetables, or additional pastoral support. Teachers and support staff are briefed to ensure the pupil feels welcomed and not overwhelmed, while providing academic catch-up strategies to bridge any learning gaps. We also offer emotional and mental health support, including access to counseling or mentoring, to help pupils re-adjust to the routine of school life. Regular check-ins ensure that the pupil’s transition back into school is smooth and successful, with continued support as needed.

8. Attendance monitoring

8.1 Monitoring attendance

At St George’s School, we will respond to attendance concerns in the following way:

1. If the Attendance level is 96 - 99.9%

Attendance will be monitored as part of the weekly attendance meetings

2. Attendance level is 95.9 to 94 %

As soon as a pupil's attendance falls below 96%, **Attendance letter 1** will be sent to the parent/carer advising them that their child's attendance must improve and that their attendance will be closely monitored. The child to 'unwell for school' information will also be sent out.

3. Attendance level is 93.9% - 90%

The school will send **Attendance Letter 2** - no improvement letter with a date for a meeting. At the meeting with parent/carers support will be discussed if required to secure the pupils improvement in their attendance. Possible support to be considered and not limited to early help referral /signposting/in school support

4. Attendance drops Below 90% (PA)

Attendance intervention Letter 3 is sent to the parent/carers with a date for a meeting with the Attendance Champion and Attendance Officer. Support will be discussed again with the parent/carer to ensure an immediate improvement. Parent/carers will be reminded of their parental responsibilities and the legal requirements regarding school attendance

Attendance will be monitored and If there is no improvement over a 3-week monitoring period and there are 10 unauthorised absences in 10 weeks, a Penalty Notice may be requested if parent/carers are not engaging with support or there is no improvement. A referral to the commissioned Education Welfare Officer or Local Authority Education Welfare Officer will also be made.

Monitoring across the year

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. Specific pupil information will be shared with the DfE on request. Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school and trust considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above).
